The earliest I could do a call would be next Monday. I am pretty open Mon - Wednesday next week and could do it Monday after 12:30, Tuesday from 9 to 12 or Wednesday at 11

Please tell me if either of those times and dates work.

It will be important to know going into this if the City Attorney's office will allow this district to be formed under the local enabling ordinance. I will let Yuval weigh in on any other outstanding issues prior to confirming the call.

This is relative to the plan. We are can wait until your return, unless you would prefer a conference call.

I am back east for meetings through Friday. Will the substance of the conversation be on specific components of the plan or they Alpha BID ordinance?

Perhaps you can summarize your concerns in writing so I can respond.

Hello.

We (City Clerk and City Atty) have reviewed the prior plan submitted to us? We are available to meet or have a phone conference tomorrow afternoon or Wednesday afternoon. Please let me know if you are available 3 pm or after on these days.

Thank you.
